Certified Pre-Owned.

Das Auto.

A bigger piece of peace of mind.

We know buying a pre-owned vehicle isn't easy. That's why we go out of our way to help make you feel safe and secure with your decision. Every Certified Pre-Owned Volkswagen comes with a 2-year, 24,000-mile bumper-to-bumper Limited Warranty.* And if anything does go wrong (because you know, sometimes things happen), you've also got the security of two years of 24-hour Roadside Assistance.** That'll cover towing to your nearest VW dealer, jump-starting, or even refueling your vehicle.***

To make things go smoother, you'll be eligible for reduced interest rates on your purchase.† So now even your money feels all warm and fuzzy inside.

As brand-spanking used as it gets.

To meet WorldAuto standards, we set the bar a little higher. Every pre-owned Volkswagen is subject to a 112-point inspection.†† And no, one of those steps isn't just kicking the tires. A certified Volkswagen technician goes through each car with a fine-tooth comb. And if they find anything wrong, they'll repair or replace it. You'll also receive a CARFAX® Vehicle History Report,† so you'll know your car's history inside and out. We'll even throw in three months of complimentary SiriusXM satellite radio service.† In short, your Volkswagen dealer will do everything they can to get you that new car smell, without that new car price.

To each, their own.

Alright, you've found the Volkswagen you've always wanted. Now it's your chance to really make it your own with genuine Volkswagen accessories. Unlike other aftermarket parts, these are made specifically for your ride, so they'll always be the perfect fit. Whether you want to add a rear spoiler to your Passat. Special 18" spoked alloy wheels to your Beetle. Or roof racks to your Golf. Because you're not just buying a Volkswagen, you're owning it.

Even your coverage has coverage.

Just when you thought the warranty on Certified Pre-Owned vehicles couldn't get any better, it does. Depending on the age and mileage of your vehicle, you can expand the coverage for up to 100,000 miles. Seriously, that's like going around the world four times, with a side trip to Peru. Volkswagen Credit has five different plans to choose from that should fit your needs or budget. You may even be able to roll the cost of it into your financing. So you can protect your investment today, tomorrow, and waaaaay into the future.
